

Petty Theft

San Francisco's Ultimate Tribute to Tom Petty & The Heartbreakers

About Petty Theft

If you want to see the greatest Tom Petty and The Heartbreakers band in the world, go see Tom Petty...If you can't do that, come see Petty Theft.

Petty Theft is not about gimmicks. We're not a costume band and we don't try to imitate Tom Petty. We simply pay tribute to one of America's most celebrated and talented songwriters by playing his music as if it were our own. Petty Theft plays Tom Petty's songs true to the originals and in the spirit of his legendary band's live shows, performing everything from his revered classics to his most current hits.
